WEB UI for Municipal officer

Step-1: Create a Sign up / Register page.

A registration form titled "REGISTER HERE" is centered on a light green background. The form is enclosed in a light gray rounded rectangle. It contains five input fields, each with a green placeholder text: "Name" (placeholder: "Enter Name"), "Password" (placeholder: "Create password"), "Email" (placeholder: "Enter Email"), and "Phone Number" (placeholder: "Enter number"). Below these fields is a green "Create" button. In the bottom right corner of the green background, there is a small, faint watermark that reads "Activate Windows Go to Settings to activate Windows."

Step-2: Create a login page.

A login form titled "LOGIN HERE" is centered on a light green background. The form is enclosed in a light gray rounded rectangle. It contains two input fields, each with a green placeholder text: "Username" (placeholder: "Enter Username") and "Password" (placeholder: "Enter Password"). Below these fields is a green "Login" button. Under the "Login" button, there is a link that says "If you don't have an account," followed by a green "Create New" button. In the bottom right corner of the green background, there is a small, faint watermark that reads "Activate Windows Go to Settings to activate Windows."

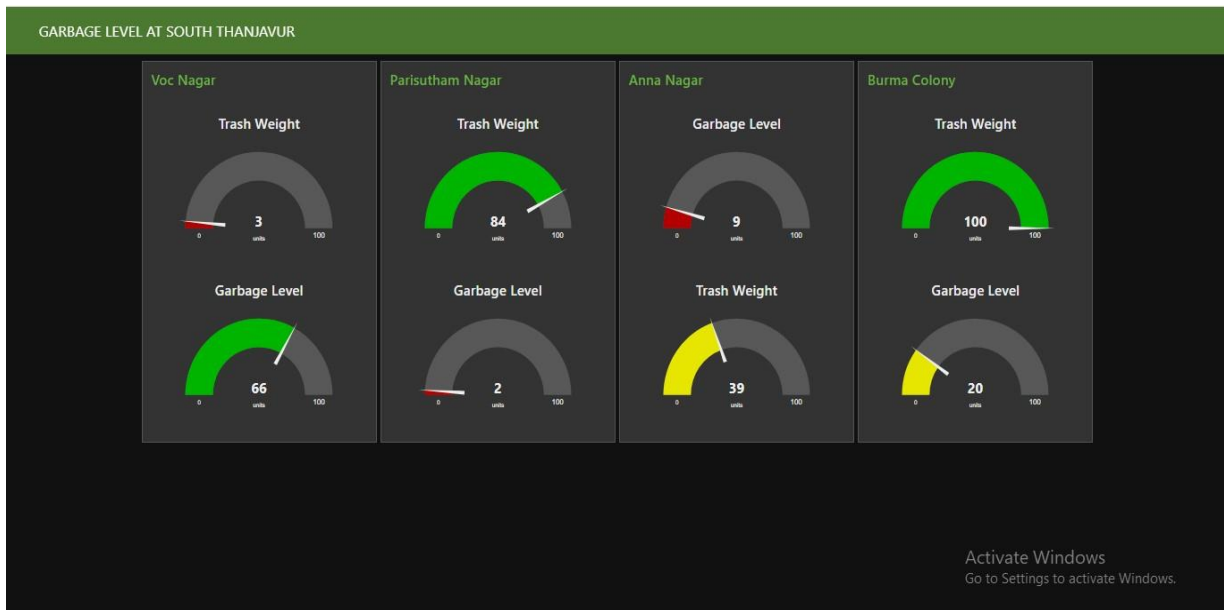

Step-3: After the login, it will be redirected to the Home Page.

Step-4: Create a page where the location of bins are displayed.

After clicking **CLICK HERE**, it will display the garbage level.

Step-5: Create a page with Truck Driver Info along with chat box where we can communicate with the truck drivers.
