

Create a Database in Cloudant DB

Team ID	PNT2022TMID07013
Project Name	Smart Waste Management System for Metropolitan Cities

These are the steps followed to create a CLOUDANT DB (DATABASE).

Step 1: Login into IBM CLOUD account.

Step 2: On the top left corner click on RESOURCE LIST.

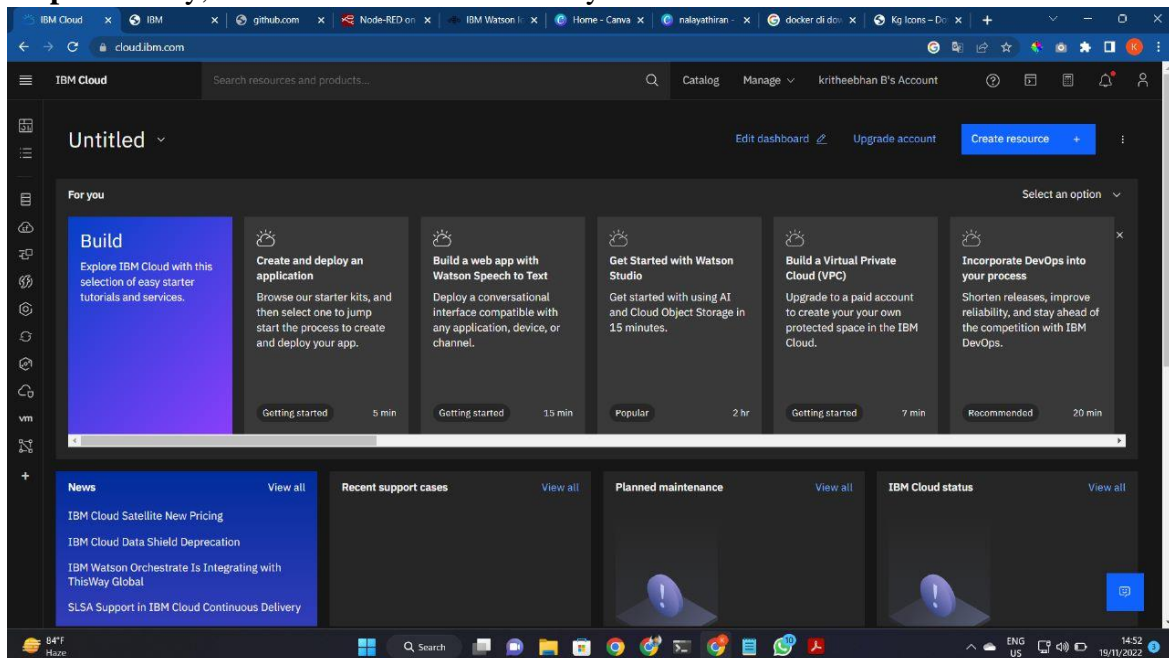

Step 3: Search for Database option then click on drop down arrow or click Create resource and then search for Database option.

Step 4: Then click on CLOUDANT, later click on 'Create'

Step 5: Now, cloudant window appears then click on launch dashboard on right corner

Step 6: Click on create database on right corner then provide the name for database and check the -partitioned - recommended for most workloads > option then click on create.

Step 7: Finally, cloudant DB was successfully created.
